We need uber. If they are properly insured and use drivers that meet the SC drivers requirements let them drive. They are certainly more qualified as drivers and have better equipment than the Yellow Cab I see in Greenville.

Thank you

My family and I travel a lot and use Uber in various cities... This is free enterprise, not even close to taxi company and should not be placed in the same category! Uber is a technology company and a brilliant one at that!! We live in North Myrtle Beach, SC and use Uber here as well! You are making a huge mistake by trying to eliminate Uber from SC!

We are for keeping uber in business. As a customer I would like to see uber stay in business it gives the consumer fair competition and choice.
